Click here for a list of the local transportation projects that have been recommended for funding out of the American Recovery and Reinvestment Act.

Under American Recovery and Reinvestment Act, the FAA received $1.1 billion to allocate to qualified airports on a discretionary basis. That funding will be distributed based on a project priority system that addresses airport safety and security, infrastructure, runway safety, increased capacity, and mitigation of environmental impacts. The following funds have already been announced for Florida airports:

STATE	GRANT	GRANT AMOUNT
Florida	St Petersburg-Clearwater International: Rehabilitate Terminal Building [Reha	$5,357,400
Florida	Orlando Sanford International: Rehabilitate Runway [Rehab RW 18/36] - 18/	$3,008,000
